

ST. THERESA SCHOOL

PART OF A COMPLETE PARISH COMMUNITY

Nestled in the Pelham Bay Section of The Bronx, the Parish of St. Theresa looks upon religious education as a total Parish experience involving not just the child, but also parents, families, priests and deacons who form its community of faith. The program reflects an integrated learning experience.

Through our school doors pass your children, from Pre-K 3-year olds, Universal Pre-K 4-year olds, Kindergarteners and 1st through 8th graders – eager to learn in a stimulating and challenging Catholic environment. Through our doors also pass teachers, administrators, aides and other professionals – ready to impart their knowledge and extensive experience with enthusiasm and a truly caring respect for the children in their charge. A parent could ask for no more when the education, safety and future of their child is at stake.

To the Parish community, add before- and after-school programs, a drama club, a children's choir, Italian language studies, an accelerated mathematics program, boy and girl scout groups, plus an active and devoted Home School Association, and you have a total learning experience for your child.
