

October 13, 2026

Dear Parents/Guardians,

On Friday, October 23, 2026 St Theresa School will hold their 6th "Cancer Walk-A-Thon. This is a wonderful opportunity for us to come together as a Christian Community to follow Jesus' mission to help those in need. All money is donated in the school's name to people who are affected in some way by cancer and organizations that help them.

Grades 1-8 are allotted 30 minutes to walk around the perimeter of the school as many times as possible. Our Pre-K and Kindergarten classes will walk in the schoolyard. All students will dress in their gym uniforms. If you'd like to wear a T-shirt in the color representing a specific cancer, in support of fighting that cancer, you're more than welcome to! Students are encouraged to make signs to honor family members and friends or just announce their dedication to fight the battle against cancer.

This year we will not be using a pledge form. Please make your donation with the amount that you'd like to donate. **Please submit all donations to your child's teacher in an envelope titled Cancer Walk, Attention Mrs. Shanley, by Friday, November 6, 2026.**

The St. Theresa School Family can make a difference!

Thank you for all your support.

Mrs. Lopez
