Please bring all the listed items to the teacher/family MEET AND GREET event at the end of summer so we can avoid disruptions on the first day of school.

Also, please bring any paperwork required for the beginning of the school year directly to the office, as this will avoid confusion as we start the school year. Please do not hand the paperwork to the teacher or aide at the door during entrance or dismissal time, as this presents challenges when focusing on your children as they enter and leave the building.
